Summer 2010

NEWS FROM NORTHERN!

Plan Ahead...Get Ahead

◆ FROM THE GENERAL MANAGER –

Jill Robertson

Plan Ahead...Get Ahead. Whether you are planning for this year's grain storage and handling needs or into the future, Northern Agri-Services can help you plan ahead to get ahead. Below are some of the ways that you can plan ahead.

- ✓ **NEW DRYERS** Northern Agri-Services has a limited number of GSI Vision Control Portable Grain Dryers available in time for this year's harvest. Hurry before they are gone! Any other orders placed for dryers will not ship until November or after.

1218	3 Phase	Sept./Oct.
1220	Single Phase	Sept./Oct.
1226	3 Phase	Sept./Oct.

- ✓ **GRAIN BINS** Plan ahead for your grain storage needs this fall. GSI is currently shipping bins 6 to 8 weeks from time of order. In addition, the construction schedules are almost at capacity.
- ✓ **UNLOADING EQUIPMENT** Is your unloading equipment ready to go? Northern will meet with you and inspect your bin and unloading equipment to make sure that you are ready to go at harvest time. Call one of our salesmen for an appointment.

GSI GROUP

FOR MORE INFORMATION CONTACT: Northern Agri-Services
(402) 723-4501 * (800) 554-8715 * 919 Road B * Henderson,
NE 68371 www.northernagriservices.com

- ✓ **5-YEAR PLAN** Northern Agri-Services will help you create a 5-Year Plan to meet your grain handling and storage needs. Remember to "Plan Ahead to Get Ahead".

◆ NOW AVAILABLE - THE TRIAD WIND GEN

- ✓ Northern Agri-Services is the exclusive dealer in eastern Nebraska and Western Iowa for the Triad Wind Gen. The Wind Gen is a 10 kW wind generator that is 92 feet tall and looks similar to a windmill. Tax credits and low-interest loans are available.

◆ FLOATING TAILWATER PUMPS

- ✓ Northern can custom design and build a Floating Tailwater pump to meet your needs. Call for your custom quote.
- ✓ Northern has several used pumps for sale. These are completely rebuilt and guaranteed. Call for current availability.

◆ REPAIR, SERVICE & PARTS

- ✓ Northern continues to improve and expand our parts and service departments.
